Premium Real-Estate Website Design & Development Brief

Flagship project: Vedanthangal Sandalwood Farm Land – 15 Acres

Crystal Estates | No. 9, A.K.R. Nagar Main Road, Crystal Tower, Ground Floor A, Valasaravakkam, Chennai – 600087

Version 1.0 • 30 October 2026 • Confidential – for the appointed web developer

SECTION ONE

1. Project Overview

Crystal Estates is a farm land and plot developer based in Chennai. This brief describes a premium, trust-first website that presents the company and its projects, starting with the flagship **Vedanthangal Sandalwood Farm Land (15 acres)**, and converts visitors into site-visit bookings and enquiries.

Business goals

- Build credibility and a luxury, trustworthy brand impression on first view.
- Generate qualified leads: enquiry form, call, WhatsApp and site-visit booking on every page.
- Present each project with maps, layout, gallery, brochure and approvals in one place.
- Allow the Crystal Estates team to add or edit projects and offers without a developer (CMS).

Target audience

- NRIs and urban professionals in Chennai and beyond looking for farm land and weekend-home investments.
- Families and first-time land buyers who need clear information and reassurance.
- Channel partners and agents who need brochures and project details quickly.

Brand personality

Elegant, calm, trustworthy, rooted in nature. Think boutique luxury developer: generous white space, large photography, restrained gold accents, and confident, simple language.

SECTION TWO

2. Visual Design Direction

Colour palette

Forest Green #0F3D2E	Primary – headers, hero overlay, buttons
Emerald #1B5E46	Secondary – hover, icons, links
Champagne Gold #B8964E	Accent – lines, highlights, CTA outline
Ivory #F7F3EA	Page background and section bands
Charcoal #22262A	Body text

Typography

Use	Font (Google Fonts)	Notes
Headings	Playfair Display (600/700)	Large, elegant serif; generous letter-spacing on small caps labels
Body and UI	Montserrat or Lato (400/500/600)	16px body on desktop, 15px on mobile, line-height 1.65
Numbers / prices	Montserrat (600)	Use lining numerals for acres, cents, sq.ft and prices

Look and feel

- Full-width hero with slow-zoom photo or short looping video of the farm land (under 8 MB, muted, with poster image).
- Sticky transparent header that turns solid forest green on scroll; gold underline on active menu item.
- Cards with soft shadow and 8px radius; section titles with a small gold line above.
- Subtle scroll animations (fade and rise, 300–500 ms). No heavy sliders or auto-playing audio.
- Photography: aerial drone shots, sandalwood trees, golden-hour landscapes, real site photos. Avoid stock-looking clutter.
- Floating buttons on all pages: **WhatsApp**, **Call**, and **Book Site Visit**.

SECTION THREE

3. Site Map and Navigation

Page	Purpose	Priority
Home	Brand story, featured project, trust signals, lead capture	Must
Projects	Listing of all projects with filters (Ongoing / Upcoming / Completed)	Must
Project detail	Vedanthangal Sandalwood Farm Land – full project page (template reused for future projects)	Must
Gallery	Photo and video gallery with lightbox, drone footage	Must
Why Sandalwood / Farm Land	Educational content, FAQs, buyer guide	Should
About Us	Company story, vision, team, office address	Must
Contact	Enquiry form, map, phone, WhatsApp, email, office hours	Must
Downloads	Brochures (PDF), price list, layout plan	Should
Careers	Open positions with apply form (CV upload)	Optional
Legal	Privacy policy, terms, disclaimer	Must

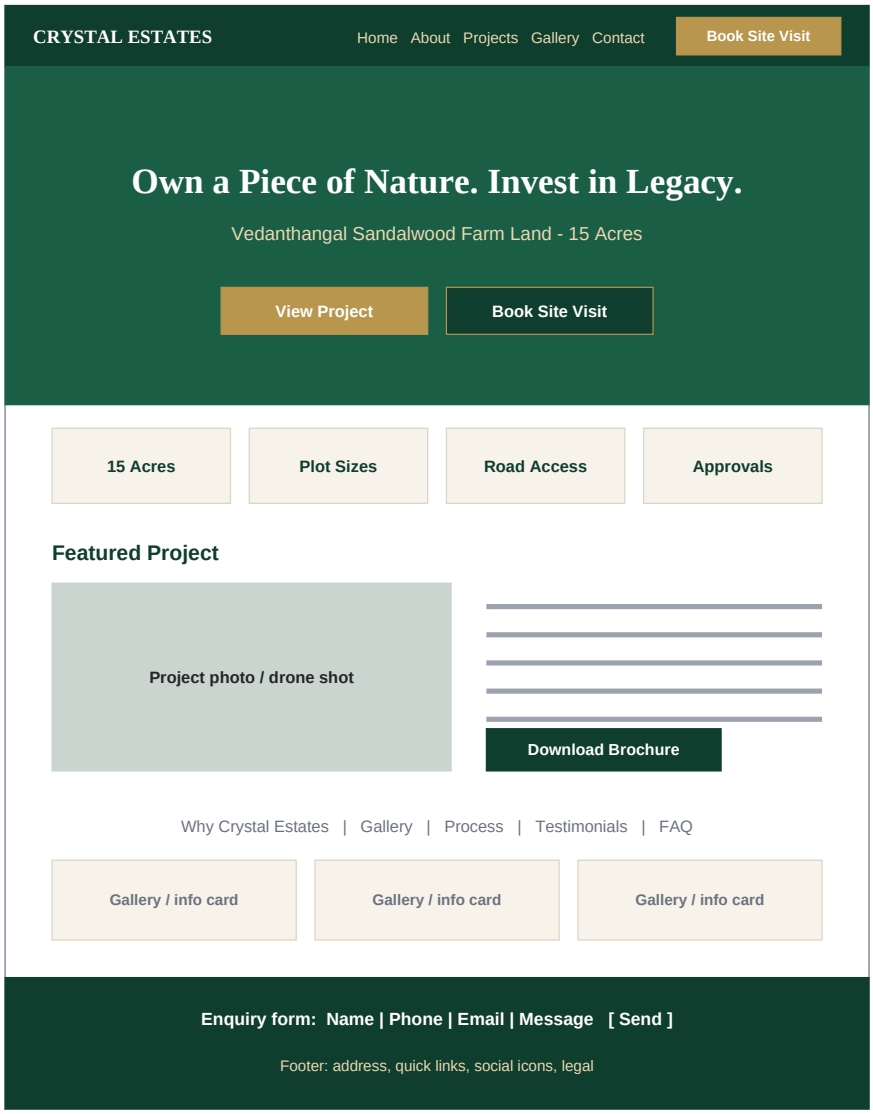
Main menu

Home | About | Projects | Gallery | Why Sandalwood | Contact | **[Book Site Visit]** (gold button)

SECTION FOUR

4. Home Page Layout

Indicative wireframe (desktop). Final design must follow the palette and typography in Section 2.



Home page sections, in order

- **Hero** – full-screen image or video, headline, two buttons (View Project, Book Site Visit).
- **Key facts strip** – total area, plot sizes, location, approvals, road access.
- **Featured project** – Vedanthangal Sandalwood Farm Land with image, short description, brochure download.
- **Why Crystal Estates** – 4–6 icon cards (transparent dealing, documentation support, site visits, after-sales help).
- **Gallery preview** – 6 images with “View all”.
- **Process** – Enquire → Site visit → Documentation → Registration → Handover.
- **Testimonials** – only genuine, consented customer feedback.
- **FAQ accordion** and **enquiry form** with map and office address.

SECTION FIVE

5. Project Detail Page (Template)

Build this as a reusable template driven from the CMS so new projects can be published without coding. The first entry is **Vedanthangal Sandalwood Farm Land – 15 Acres**.

Block	Content and behaviour
Header banner	Project name, tagline, status tag (Ongoing / Upcoming), primary CTA
Overview	Short description, total extent (15 acres), plot sizes, price range or “Price on request”
Highlights	Icon list: sandalwood plantation theme, access road, water source, fencing, location advantages (as supplied by client)
Layout / master plan	Zoomable image of layout; optional plot availability colour key (Available / Booked / Sold)
Location map	Embedded Google Map, “Get directions” button, distance table to nearby town, highway and city
Gallery	Photos, drone video (YouTube/Vimeo embed), lightbox with swipe on mobile
Approvals and documents	Display approval details exactly as supplied by Crystal Estates (see Section 9)
Brochure	“Download brochure” – captures name and phone before download (lead capture)
Enquiry panel	Sticky side form on desktop, bottom bar on mobile: Call, WhatsApp, Enquire
Related projects	Cards for other projects

SECTION SIX

6. Functional Modules

Module	Specification
Enquiry form	Fields: name, phone, email, project, message. Validation, spam protection (reCAPTCHA or honeypot), email to sales team, confirmation message, entries stored in admin.
Site visit booking	Date and time picker, number of visitors, pickup request; auto email and WhatsApp-ready summary to team.
WhatsApp and call	Floating WhatsApp button with prefilled message; click-to-call on mobile.
Brochure download	Gated PDF download, tracked as a lead.
Land / investment calculator	Optional: total cost from area and rate, with simple payment-schedule display. Must show a disclaimer; no return guarantees.
Gallery	Categories (Aerial, Site, Plantation, Events), lazy loading, WebP images.
Admin panel / CMS	Add or edit projects, images, brochures, FAQs, testimonials and banners; view and export leads (CSV); role-based login.
Multi-language (optional)	English and Tamil toggle for all public pages.
Blog / news (optional)	Short articles on farm land buying tips, sandalwood basics and company updates for SEO.

SECTION SEVEN

7. Technical Requirements

Area	Requirement
Responsiveness	Mobile-first; tested on Android and iOS phones, tablets, laptops. Over 70% of visitors are expected on mobile.
Technology	WordPress (with custom theme) or a modern stack such as Next.js with a headless CMS. Developer to recommend and justify.
Performance	Google PageSpeed 85+ on mobile; images in WebP, lazy loading, caching and CDN; hero video optimised.
SEO	Clean URLs, meta titles and descriptions, schema markup (Organization, LocalBusiness, RealEstateListing), XML sitemap, robots.txt, Google Business Profile link, Search Console setup.
Analytics	Google Analytics 4, Meta Pixel (optional), event tracking for form submits, calls and WhatsApp clicks.
Security	SSL (HTTPS), regular backups, login protection, form spam filtering, updated plugins and dependencies.
Accessibility	Alt text for images, sufficient colour contrast, keyboard-friendly navigation.
Browsers	Latest Chrome, Safari, Edge, Firefox.
Hosting and domain	Developer to advise a reliable Indian-region host; domain and hosting should be registered in the name of Crystal Estates.
Handover	Admin credentials, source files, short training video or session, 30 days free support after launch.

SECTION EIGHT

8. Content and Assets to Be Supplied by Crystal Estates

Item	Status
Company logo (vector / PNG, transparent)	Client to supply
Project photos, drone video, layout plan, brochure PDF	Client to supply
Project description, plot sizes, pricing policy	Client to supply
Approval and legal document details to be displayed	Client to supply and confirm
Business phone, WhatsApp number, official email	[To be filled]
Google Maps pin / location link for each project	Client to supply
Social media links (Facebook, Instagram, YouTube)	[To be filled]

SECTION NINE

9. Legal and Content Guidelines

- Show approval numbers, survey details and certifications **only** as provided in writing by Crystal Estates.
- Do not publish guaranteed returns, assured profits or exaggerated sandalwood income claims. Use neutral wording such as “investment potential” with a clear disclaimer.
- Add a footer disclaimer: images are for representation, details are subject to change, and buyers should verify documents before purchase.
- Use only photos and videos Crystal Estates owns or has licensed. Customer testimonials need written consent.
- Include a Privacy Policy covering how enquiry data is stored and used.
